LOCATION TO LOVE

Nestled in Koregaon Park NX, our exquisite community effortlessly connects you to every corner of the city. Plus, just 6 km from Pune International Airport and a mere 4km from Pune Railway Station.

*Travel time, basis traffic condition.

LOVE THE PLANET

Embrace eco-friendliness for substantial savings. Solar panels and water heating systems drastically cut your reliance on conventional electricity, resulting in up to 40% savings on power bills. High-performance glass on our façade keeps the sun's heat out while inviting natural light, reducing the need for air-conditioning and electricity. Rainwater harvesting slashes water consumption in common areas by a staggering 50%.

TECHNOLOGY FUELLED BY LOVE

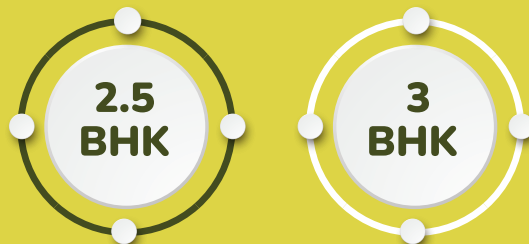

Our commitment to smart living goes beyond ordinary. Imagine living in a space designed for effortless maintenance, with flat

slab construction that grants you control over general upkeep without relying on external help. Experience the tranquillity of UPVC low-noise pipes, ensuring the peaceful flow of water in your bathrooms. And with backup power supply seamlessly integrated, bid farewell to inverters and toxic batteries, revelling in uninterrupted power for your essentials, lifts, and common areas.

UNPARALLELED CONFIGURATION

Choose from a range of configurations, including

Jodi and Duplex options available, designed to suit your unique lifestyle.

SAFETY YOU WILL LOVE

In a post-COVID world, safety is paramount. At Olive, we've reimagined daily life. Our touchless elevators respond to your gestures, access control cards operate touchless doors, and common areas boast touchless taps and flushing systems. Experience a touchless world that keeps you safe.

LOVE YOUR HOME FROM THE INSIDE-OUT

Take command of all the utilities and exclusive services remotely, reducing your reliance on manual intervention, even in lockdown-like situations, minimizing the need for traditional security personnel. Come home to peace of mind with advance security features.

HOME AND EARTH, LOVED AS ONE

Our commitment to nature translates to healthier living. Lush green landscaping surrounds your home, replenishing oxygen, regulating indoor temperatures, and enhancing air quality.
